

Value Added Package: #3

1. Identify and describe components of package:

2 Seat Arch Swing: Anti-wrap swing hanger pivots to prevent swing chains from being wrapped around top-rail. Top rail and arch supports are O.D. galvanized steel tubing.

Wave Rider Seesaw: Unique design eliminates “bottoming out”--no inground bumpers needed. Spring action gives children a fun and bouncy ride.

Curved Balance Beam: Made of steel with galvanized steel support legs.

2. Developmental appropriateness, accessibility and safety information

2 Seat Arch Swing: Encourages: Agility, Sense of Accomplishment, Safe Risk Taking, Self Help, Leg Strength, Arm Strength, Cause and Effect

Wave Rider Seesaw: Encourages: Dexterity, Cooperation, Balance, Leg Strength

Curved Balance Beam: Encourages: Self Confidence, Coordination, Balance

3. Product Photos:

4. Product Certification:

5. Retail Price and Discounted Price:

Since 2005 as a part of our partnership agreement with NHSA, Playworld Systems has provided value added support to NHSA including product discounting and a rebate program. Because product discounting for the NHSA Body Start program is so generous, we Playworld Systems, will not be able to combine both programs. Playworld Systems will operate each value added programs as independent contracts and contracts independent from each other.
